A highly-skilled IT engineer that has a passion to teach

---

## Skills

Networking  
Database Design  
Programming

---

I have good skill in networking, starting from initial design to the implementation. I used to work with Ubiquity devices, Mikrotik, and Linux (Debian based).

I also used to do Database Design (MySQL and SQL Server) and also do programming in Windows (GUI) or Web programming (PHP).

---

## Work Experience

---

### PT. Poliplas Indah Sejahtera (Poliplas Group) / IT Staff

2002-2005, UNGARAN

Poliplas Group is a plastic packagings manufacturer. In its development, the company has succeeded to establish four factories, which are PT. Poliplas Indah Sejahtera, PT. Poliplas Makmur Santosa, PT. Politama Pakindo and PT. Gemah Makmur Sejahtera, each with their own diversified products.

I was an IT Staff in Poliplas Group. My responsibilities were network design, database design and software design.
